HEALTH PRACTITIONERS SUPPORT PROGRAMME

Dear Valued Client

We at Centered Secrets are excited to announce that we propose to help you, the Health Practitioner, to grow and support your business.

How ??

The problem today is, there are so many natural solutions which are confusing and expensive and who do you go to for what?

We will assist the general public with health issues by referrals to Health Practitioners in their areas. The general public contacts us via our website – we in turn respond with contact details of their nearest Health Practitioner from our data base.

OPPORTUNITY TO GROW

Upon referral the Health Practitioner, in turn, to purchase products from us and from time to time we will give special deals only to the Practitioners who are members.

This is a wonderful opportunity for health practitioners to become part of our solution and offering. All the Health Practitioner has to do is contact us and we will send an application for membership which will include a “specialised category”. If necessary the Health Practitioner will be categorised in accordance to their speciality in our data base. We will administer the list of members and answer all enquiries from the public with the referred HP on copy.

MEMBERSHIP

We will implement a membership fee either payable monthly or annually. The membership fee to be free of charge up to the end of the year. Thereafter the Practitioner is to pay either monthly or annually. The monthly fee to be R150 and annually R1 650 wherein the Practitioner will receive ONE MONTH FREE OF CHARGE !!
